

**Adopted Jan. 1999, passed Dec. 28, 2015**

Peacefully with his family by his side we said goodbye to our gentle giant, Lord Baxinton.

Baxter came to us 17 years ago after being in the care of the NWT SPCA, Dr. Elkin and staff of the Great Slave Animal Hospital for three months. You called him Romeo and he came by this name naturally & honestly. You knew the right family would come along and one cold January day we did. Since that day he has brought warmth and joy to our hearts with his unconditional loyalty. Baxter retired from his afternoon position as Shop Foreman of Foraco Drilling in 2013. Since his retirement he has been head greeter to the dog walkers of Dagenais Dr.

We would like to thank our good neighbours, especially the Wicks and Magers for all the snacks and treats over the years.

Baxter was predeceased by his good friend Bert Varkonyi in 2012, who he enjoyed many walks to the mailbox and fine lunches at the Monkey Tree Pub.

Thank you to Dr. Hughes and staff for the special care over the last year.

He was a special guy and will be missed by all who knew him.

In lieu of flowers please take a dog for a walk and make a donation to your local SPCA.
