

Joan Elizabeth **BEDUZ**

July 3, 1934 - March 29, 2015

It is with deep sorrow that we advise of the passing of Joan Beduz in the early morning of March 29, 2015.

Joan – wife, mother, daughter and sister – lived life well. She was born in Washington State and grew up in the Deer Lodge Valley, Montana. Joan met her husband Roy in Montana, and from there, settled in Yellowknife. For 24 years they raised their family – Judi (husband Terry) and Brian (wife Lorraine) – adapting to the locations that Roy's career took her to; from Yellowknife to Toronto, to the Queen Charlotte Islands. Joan's final years were spent in Kimberley, BC, where she and Roy retired.

A private family gathering will be held later in the year and interment will take place at the Kimberley Cemetery.

What time we are given is never enough. Loved always.
