

# *Jason Stephen Berens*

*February 7, 1979 - February 8, 2017*

Family and friends mourn the sudden loss of Jason who will always be remembered and sadly missed by the Fabien and Berens families. Although we know that he is back with his mom, Georgina Fabien, we will forever miss his natural wit and infectious laugh.

A service will be held on February 23, at the Roman Catholic Church in Fort Resolution at 2 pm, and a Celebration of Life will be held in Yellowknife on March 4.

*"Those we love don't go away, they walk beside us every day. Unseen, unheard but always near. Still loved, still missed and very dear."*
