

Louis Bonnetrouge

July 21, 1932 - September 8, 2009

On September 8, 2009,
Uncle Louis, whom we
love, was called away.
When thoughts go back
As they often do
We treasure the memories
We have of him.
This day is remembered
and quietly kept
No words are needed.
We'll never forget
Forever in our hearts

The family of the late Louis Bonnetrouge would like to thank all businesses and individuals that donated (financial and in-kind) in any way. Also, thank you to the people that helped prepare the gravesite, and finally to those that provided and prepared food for the family and the reception. Thank you so much for your kindness, thoughts and prayers.
