

# George Andrew Doolittle

August 11, 1944  
to May 26, 2015

*Forever loved  
and remembered*

George had heart disease and passed peacefully on May 26, 2015, surrounded by his loving family, in Edmonton at the Royal Alexandra Hospital. We were happy to have those last few days together to talk, to laugh, to share, to comfort, and to say anything else that needed to be said. George was laid to rest on June 1, 2015 in Norman Wells.

George is survived by: his beloved wife Violet, son Roy (Sheila), daughters Yvonne and Charlene (Darryl), many grandchildren and great-grandchildren, his sister Jan (Jack), numerous nieces, nephews, brother-in-laws, sister-in-laws, and cousins.

We want to thank everyone for their kindness, assistance, love, and caring shown to us during his time.

**Donations can be made to the Heart and Stroke Foundation.**
