Our Prayers Will Always Be With You!

When Tomorrow Starts Without Me

When tomorrow starts without me
And I’m not there to see;
If the sun should rise and fill your eyes
All filled with tears for me

But when tomorrow starts without me
Please try to understand,
That an angel came and called my name
And took me by the hand

So when tomorrow starts without me,
Don’t think we’re far apart...
For everytime you think of me,
I am right here in your heart.

A very special thank you to all the families and friends
who helped us through this difficult time.
