

Laura Haist

After a short stay at the Royal Alexandra Hospital in Edmonton, Alberta

Laura Haist has passed away from complications of Tuberous Sclerosis.

Laura was diagnosed at 10 months of age and had a long battle with seizures and lung problems to pass away June 1, 2006 at the age of 26.

She is survived by her sisters Emily and Patricia Haist, her brother Ted Haist, her mother Kathleen Glenday, stepfather John Glenday, her father Greg Haist and her grandparents Albert & Gladys Eggenberger.

If you wish in lieu of flowers, donations may be made to the Accredited Supportive Living Society in memory of Laura.
