MY SON

Only God holds the reason why
That sad day, we said goodbye
All your Family that love you true
Often talk and think of you
Your Spirit, it will never die
For in our hearts, the tears we cry
My Son, a part of me is gone
But someday, I know, it won't be long
I'll hear your voice, I'll call your name
In heaven, I know, we'll meet again

FROM Mom, Dad, your brother Shelton,
your sisters Olivia, April-Katherine,
niece Baby Sydney and all your relatives.

We also would like to thank Father Joe Daly
for the Prayer Service Ceremony and
his kindness towards the family.

To friends and co-workers at Service Canada,
and to all others who have expressed words
of kindness and support through this very sad time
in our life.
