

# Eric George Arthur Henderson

June 25, 1931 - August 17, 2019

It is with heavy hearts we announce the passing of Eric Henderson at the age of 88 years after a brief hospital stay. Eric was a man who lived on his own terms. He did things his way and said what he thought regardless of consequences. He determined what he wanted and managed to find a way to get it. He was known for his tenacity, creativity in invention, design, building, manufacturing, and fine woodworking skills. There was nothing Eric could not accomplish when he put his mind to the task. He was most famous in later life for his ability to sniff out a bargain or "raw materials" from afar. (Thus his nickname "Half Price Henderson")

Eric was predeceased by his parents Charlie and Annie, his sister Dorothy in Scotland, and grandson Timothy in Yellowknife. He will be missed by his wife of 68 years, Eva; his children Ian, Neil (Debra), Edward, Audrey, and Carol, and his five grandchildren and four great-grandchildren.

**There will be an open house held at 114 Knutsen Avenue on August 28th from 5:00 - 7:00 pm and a Celebration of Life at the Baker Centre on September 7th from 2:00 - 4:00 pm.**

In lieu of flowers, donations can be made to the Timothy Henderson Memorial Fund at the Yellowknife Community Foundation or a charity of your choice.
