

Erwin Holowachuk

passed away suddenly and peacefully at the age of 51, on Monday, November 2, 2015, in his home in Yellowknife, NT.

Erwin leaves to mourn and cherish many fond memories, his sister Bernice and Michael Matvieshen of Sifton, MB, extended family, and his special close friends in Yellowknife.

Erwin was fond of fishing, hunting, and enjoyed his life in Yellowknife with his special close friends; he was employed for numerous years until his health began to fail.

Erwin was a quiet and good hearted man who always remained positive. The people he met and became close friends with were a very important part of his life as he was to them. All of his friends will remember him for his smile, laughter, and gentle way. I'm sure they miss him a great deal as we too celebrated his life with his family and friends. A Funeral Service was held on Friday November 13, 2015.

All of Erwin's special close friends were considered as honorary pallbearers.

Sneaths-Strilchuk Funeral Services and Ste. Rose Memorial Chapel were in care of arrangements.
