GARY “JUGGY” JODRELL
February 27, 1941 - June 3, 2008

It is with a heavy heart that we announce the passing of Juggy Jodrell. He was one of the North’s, and especially Yellowknife’s, true sports characters and friend.

Juggy was one of the most loved, happy, smiling, good teammate, opponent and friend – quick with a joke or story.

To those who knew him as a close friend... he will be sadly missed.

To those who knew him as a friend... be happy that you did.

To those who knew of him as a sports fan... his stories will be sorely missed.
