Eternal Light

A candle dims, darkness comes.
A loved one leaves our sight,
gone beyond to live again
in God's eternal light.
And like the glow a candle brings
loving thoughts stay on
with warm and special memories
to light the way till dawn.

*Jim Lafleur and the children of Laura Lennie
would like to "Thank" the people of the
Sahtu and everyone who offered their prayers and
support during the passing of our mother.*
