I Am With You Still

*I give you this one thought to keep
I am with you still - do not weep
I am a thousand winds that blow
I am the diamond glints on the snow
I am the sunlight on ripened grain
I am the gentle autumn's rain
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight
I am the soft stars that shine at night
Do not think of me as gone
I am with you still
In each new dawn*
