

## *Gregory Spronken*

With heavy hearts, we are saddened to report the passing of our beloved son, husband, brother, father, and friend Gregory Spronken on March 2nd, 2017, at the age of 41 in Yellowknife, NWT. He leaves his wife, the love of his life and best friend, Andrea and his children Abigail, Ashley, Colton, Garrett, Jackson, Jolene, and Julie. He is survived by his father and mother, Peter and Shawn Spronken of Surry, BC, and his sister Tonya Hall and her family of Kamloops, BC. He is predeceased by his sister Dana. He also leaves behind, from Manitoba to Vancouver Island numerous aunts, uncles, and cousins who loved him dearly.

We are all proud of the man Greg became and his accomplishments in life. The devotion he had for his friends and his work is only second to the absolute devotion and love he gave his family. In his shortened life, he has accomplished so much through the development of a beautiful family. We have no words to describe the sorrow in our hearts and the hole we feel in our lives. We would like to thank the community of Yellowknife for the support and love they have provided to our family in this devastating time.

**A memorial will be held at the Elk's Hall on  
March 10th, 2017, at 1:00pm.**
