

HOWARD ANDREW STEWART

On Wednesday December 17, 2014 at 4:25am, Howard Andrew Stewart, age 58 years, died in the Brandon (Manitoba) Hospital as a result of cancer. Howard was born on August 25, 1956 in Winnipeg to Marjorie & George Stewart. Howard had a happy childhood. Winters were spent building snow forts & playing street hockey & summers at Clear Lake (Manitoba) set the stage for a lifetime of wonderful memories with family and friends. Howard graduated from Vincent Massey Collegiate, in Winnipeg, in 1974. He attended Red River College for surveying courses and started a lifetime of work & fun. Howard moved to Fort Mac in 1976 and then later to Yellowknife NWT to enjoy its challenges, its horizons and its solitude.

Howard's greatest asset was his love of people. He could talk with anyone, he would help anyone, he loved his family in his own passionate way.

Howard is survived by his sister Jan Bones, nephews Derek & Kevin Bones, great nephews Hayden & Thomas, great niece Taylor and a brother Gordon, all of Winnipeg; brother-in-law George Bones of Kenora, cousins Kelly, Kerry & Timothy Gillespie of Calgary. Howard is also survived by friends from Vancouver Island to Iqaluit to Yellowknife & to Newfoundland.

Emails happily received at jbones3@shaw.ca.

Donations to celebrate Howard's life may be made to his favourite charity...
