

Glenn Boyd Warner, St. Sgt Rtd.,

passed on May 13, 2014 in Yellowknife, NT. He is now at peace with his loving wife, Patricia Joan Warner.

Our family will always have the fondest memories growing up in the North and spending the summers at Bathurst Inlet. Those of you that knew Glenn know that he was a huge supporter of the Force when he was a member and into his retirement. Known for his love of the North, both he and Trish formed a special bond with the North and the people they came in contact with. Glenn always had a story to tell about the North and his early days as a member.

Glenn will be missed by his three children and their families and the many friends that knew Glenn personally. Thank you Dad, Grandpa for teaching us respect, kindness, courage and love. You will be forever remembered and loved.

Our families will take him home to the land and people he loved so much, Bathurst Inlet, to be reunited with his beloved wife (Trish) for a private family service.

He leaves behind his loving family; daughters Kim, Teri (Peter), son Boyd (Monique), his grandchildren; Colin, Tanya (Sean), Travis (Bonnie), Ryan, Josh, Victoria, Hope and Isaac and great-grandchildren, Nash, Ben and Asher.

We love you, Dad, grandpa, great-grandpa and friend, we will always remember the twinkle in your eye. Rest in peace.
