

In Loving Memory of
Evelyn Dodman

July 19, 1923 - April 1, 2006

A Mother is always with you.

*She's the whisper of the leaves as you walk down the street;
she's the smell of bleach in your freshly laundered socks;
she's the cool hand on your brow when you're not well.*

Your mother lives inside your laughter.

And she's crystallized in every tear drop.

*She's the place you came from, your first home;
and she's the map you follow with every step you take.*

*She's your first love and your first heartbreak,
and nothing on earth can separate you...*

Not time, not space... not even death.
