

Udham S. More

It is with great sadness and fond remembrance that we announce the peaceful passing of Udham S. More, at age 75 in Quesnel, B.C. on March 16, 2008.

Predeceased by his wife Mohinder in 2005, he is survived by his children, Sucha More and his wife Cindy of Victoria, Inderjit More of Calgary, Jugjit More-Curran and her husband John Curran of Yellowknife, and Surjit More of Winnipeg, as well as his grandchildren Nicole and her husband Nick Ocker and Darren More.

A service was held at Clayton's Funeral Directors on Friday, March 21, 2008 and his son-in-law John delivered a eulogy on behalf of the family. In accordance with Dad's wishes, cremation immediately followed the service.

The family took great comfort in knowing that Dad was well-cared for at Dunrovin Park Lodge and words alone will never express our gratitude to the wonderful staff members. Thank you to G.R. Baker Memorial Hospital, and the many doctors, nurses and ambulance attendants who have shown such care and dedication over the years.

Richard, Laura and Leonard at Clayton's, your kindness and support was appreciated during this difficult time.

Donations in Dad's memory can be made to the Parkinson's Society of B.C.
