

Hamlet of Fort McPherson

DIRECTOR OF PUBLIC WORKS

The Hamlet of Fort McPherson is looking for a highly motivated, experienced individual for the position of Director of Public Works.

Reporting to the Senior Administrative Officer, this position is an integral part of the management team and has responsibility for hands on leadership of all aspects of Public Works services and infrastructure maintenance, including staff management, budgeting, water, sewer, drainage, fleet, roads, facilities and landfill services.

The ideal candidate should possess certification in an engineering field or as a journeyman in a related trade and brings trades, administration and progressive related operations and management experience, preferably within a municipal or regional government setting to the position. Superior leadership, interpersonal and communications skills are essential as the individual in this role is accountable for advising Council and Senior Staff on priorities with respect to Public Works operations. Equivalencies will be considered.

The high-level energy and the leadership demands of this position will be compensated with an attractive salary and benefits package. Please apply with a cover letter and resumé by **5:00 pm, Friday March 8, 2019.**

Resumé may be submitted to:

Senior Administrative Officer
