

Matthew Tremblett

January 24, 1990- September 11, 2020

THANK YOU!

We would like to extend our sincerest thank you's to the community of Yellowknife for the outpouring of love and support throughout the course of Matthew's lengthy battle with brain cancer but, even more so since his passing on September 11th, 2020. We are overwhelmed and so incredibly humbled by how much he was loved and admired for his courage, strength, love of life, his smile, his twisted humour, and his bear hugs.

Matthew grew up here in Yellowknife and we know he touched many lives over those 30 years. This was incredibly evident at his beautiful send off to the airport on Tuesday past. We are so comforted by your love at this extremely difficult time. We want to extend our sincerest gratitude to the community for supporting Aven and their two amazing boys, Nathan and Kristofer on this journey.

Special thank you to Brain Tumour Foundation of Canada for all the support over the years. Cross Cancer Institute in Edmonton, and Stanton Territorial Hospital for their exceptional care.

Thank you to Blair and Kelley Weatherby for their unwavering love and support for Matthew, Aven, and the boys. Our family here in town for all of their love, encouragement and support for our entire family over the last few months: Cody, Jessica, & Ariya Mercer. The Yellowknife Wiseman's: Uncle Bob, Aunt Maxine, Renee, Amelia (Davis), Brandon (Ashley), Scott (Kaitlyn). Aunt Sherry & Uncle Gerry Drover.

Our chosen family: George, Roxanne, & Hanna Farrell, Auntie Karen, Uncle Stewart, Melanie, Leesa Makynen and their families, and Kirk & Barb Meszaros. Kristi's dear friend, Joanne Tsetta for her generosity. Mark Elson and Jo-Ann Martin for the incredible memories they gave Matthew and his boys this spring.

We would like to send special mentions to Matthew's dearest friends for the unconditional love and the smiles that they brought to his life. Ryan Sorenson, Brittany Goulding, Shawn Paul, Leesa Makynen, Jamie & Melissa Pye, Nathan Pearce, Anthony Marchiori, & Corey Francis..... just to name a few!
